TO WHOM IT MAY CONCERN

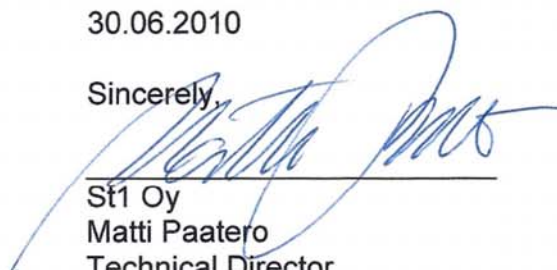

Hereby, I would like to confirm that Geokrak sp. z o.o. with a seat in Krakow, performed for **St1 Polska sp. z o.o.** various activities related to the development of St1 petrol stations in Poland.

Among other it included: environmental assessment of the plots anticipated for purchase, hydrogeological and geotechnical investigation, environmental impact reports preparation and coordination of the design process in order to obtain environmental and building permits.

All these activities were performed within budget and according to the specified scope of work and the standards required by St1 .

30.06.2010

Sincerely,

St1 Oy
Matti Paatero
Technical Director
